Electric-Wheelchair rental

For greater independence

Our allround E-Flex will prove to be your perfect companion during your stay in Vienna. Just take it with you, set it up and go! Thanks to its manoeuvrability it has now become easy to cover large distances. The wheelchair can be charged at any electrical outlet. **Many hotels allow you to directly place an order for our wheelchairs**, you can therefore conveniently book it through your hotel before going on your trip and it will be disposable at the day of your arrival!
